Overview: The Warrior Covert QRE 10 Gloves are Warrior's most advanced glove to date. Warrior combined ultimate comfort, feel, and durability making these a great pick for players of any skill level.

Key Features:

- AxyFlexx Cuff and thumb offer ultimate wrist freedom while handling the puck and shooting while still offering full slash protection and the AXYFlex Thumb, which aids in mobility and dexterity.
- Combining the AxyFlexx features with the Lycra gussets throughout, along with the Pro SmartPalm+ with Clarino HAR, the Covert QRE 10 Gloves will provide an incredibly durable and game-ready feel right off the shelf
- For breathability and comfort, the Covert QRE 10 utilizes a Wartech FNC liner with a Polygiene layer, which helps wick moisture away from the hands during gameplay, and decreases dry time.
