## The Wildest Ride in the Wilderness

Legend has it that soon after gold was first discovered here in the 1850s, eerie things began to happen. Trains would take off and race through tunnels—by themselves.

After you arrive at the legendary Big Thunder Mining Company, descend into an abandoned mine shaft and board your train. As you enter the cursed cavern, the engine speeds up along the rickety track. Dodge exploding dynamite and falling boulders as you swoop around turns, drop into canyons and dart through the mysterious ghost town of Tumbleweed.

# Space Mountain

Zoom Through the Galaxy  
Dip and careen into the inky blackness  
as a futuristic soundtrack echoes all  
around you. Fly past shooting stars and  
celestial satellites. Roar past streaking  
orbs of light, wayward comets and  
migrant meteors. Feel the pull of  
gravity as you're drawn into a swirling  
wormhole!

# Splash Mountain

## A Hare-Raising Adventure

Hop inside a hollow log and float through a colourful bayou as you follow happy-go-lucky Br'er Rabbit to his "laughing place." But be warned: Br'er Bear and Br'er Fox are in hot pursuit of this wayward hare.
